Faculty of Management Website

Design Brand Kit Requirement Sheet

Version 2.0 — Expanded Edition

Prepared for: Uva Wellassa University — Faculty of Management | Document Date: 04 July 2026

This version expands the original brand kit request with additional sections covering navigation, content components, calendars, search and filtering, data tables, department-level identity, accessibility, SEO and other UI systems identified while building the full set of low-fidelity wireframes for the Faculty website and its four department micro-sites. Nothing from the original document has been removed — all original sections (1–12) remain exactly as first issued. New sections begin at item 13.

Table of Contents

1. Logo Requirements
2. Typography Requirements
3. Color System Requirements
4. Button & CTA Styles
5. Component Style Requirements
6. Border Radius System
7. Spacing, Margin & Padding System
8. Screen Width & Responsive Breakpoints
9. Image Style Requirements
10. Icon & Illustration Style
11. Form Style Requirements
12. Final Approval Questions

Additional Requirements — Based on Completed Website Wireframes

13. Navigation & Menu System Requirements
14. Card & Content Component Library
15. Tags, Badges & Category Color Coding
16. Calendar, Date & Schedule Components
17. Search, Filter & Pagination Style
18. Data Table Styling
19. Department Visual Identity (DMS / DTS / DPA / ELT)
20. Document, Media & Map Embed Styling
21. Alerts & Notification Banner Requirements
22. Accessibility Requirements
23. SEO & Metadata Requirements
24. Animation & Interaction Requirements
25. Empty States & Error Pages
26. Multilingual Content Requirements (Sinhala / Tamil)

Short Message to Send With It

1. Logo Requirements

Requirement	Client to Provide / Confirm
Official University logo	PNG
Official Faculty of Management logo	No Faculty Logo
Logo usage approval	Can we use both university logo and faculty name in the header? Yes
Logo variations	Full color
Logo placement	Header left
Minimum logo size	No official guideline
Logo clear space	No official guideline
Favicon	We approve us to create one from logo. With no variations in color, and make the logo background transparent
Incorrect logo usage	Do not stretch, do not recolor

2. Typography Requirements

Ask whether the university already has an official font guideline. If not, we can propose one and get approval.

Typography Area Required Details

Typography Area	Required Details
Primary font family	Inter
Secondary font family	Decide a better one that suits the overall structure of the web
Sinhala font	No Sinhala content will be added
Tamil font	No Tamil content will be added
Fallback fonts	Sans-serif
Heading font style	Bold
Body font style	Regular
Button text style	Sentence case
Link text style	Color and hover underline

Typography Style Table

Element	Font Family	Weight	Desktop Size	Mobile Size	Line Height	Letter Spacing
H1 / Main Page Title	Open Sans (Bold)	700	48px	32px	1.2	
H2 / Section Title	Open Sans (Semi Bold)	700	36px	28px	1.25	
H3 / Card Title	Inter (Semi Bold)	600	24px	22px	1.3	
H4	Inter (Regular)	600	20px	18px	1.35	
Body Text	Inter (Regular)	400	16px	16px	1.6	
Small Text	Inter (Regular)	400	14px	14px	1.5	
Button Text	Inter (Semi Bold)	600	15px	15px	1.2	
Navigation Text	Inter (Medium)	500	15px	15px	1.2	
Footer Text	Inter (Regular)	400	14px	14px	1.5	

3. Color System Requirements

Ask them to provide official brand color codes. If they do not have codes, ask approval for the design team to extract suitable colors from the official logo and submit for approval.

Color Type	Usage	Color Code
Primary Color	Main buttons, links, active menu, key highlights	#3B1E54, RGB (59, 30, 84)
Secondary Color	Supporting sections, secondary buttons	#9B7EBD, RGB (155, 126, 189)
Accent Color	Call-to-action highlights, badges, icons	#C9A227, RGB (201, 162, 39)
Header Background Color	Main website header	#3B1E54, RGB (59, 30, 84)
Header Text Color	Navigation menu text	#FFFFFF, RGB (255, 255, 255)
Footer Background Color	Footer section	#241035, RGB (36, 16, 53)
Footer Text Color	Footer paragraph and links	#FFFFFF, RGB (255, 255, 255)
Body Background Color	Main website background	#FFFFFF, RGB (255, 255, 255)

Color Type	Usage	Color Code
Section Background Color 1	Light content sections	#D4BEE4, RGB (212, 190, 228)
Section Background Color 2	Alternate sections	#EEEEEE, RGB (238, 238, 238)
Body Text Color	Normal paragraph text	#13171c RGB (19, 23, 28)
Heading Text Color	H1, H2, H3 titles	#FFFFFF, RGB (255, 255, 255)
Button Background Color	Primary button	#3B1E54, RGB (59, 30, 84) Transparent glass effect
Button Text Color	Text inside primary button	#FFFFFF, RGB (255, 255, 255)
Button Hover Color	Button hover state	#9B7EBD, RGB (155, 126, 189)
Link Color	Text links	#3B1E54, RGB (59, 30, 84)
Link Hover Color	Link hover state	#6A4C93, RGB (106, 76, 147)
Border Color	Cards, input fields, dividers	#D1D5DB, RGB (209, 213, 219)
Success Color	Success messages	#2E7D32, RGB (46, 125, 50)
Warning Color	Alerts / notices	#ED6C02, RGB (237, 108, 2)
Error Color	Form errors	#D32F2F, RGB (211, 47, 47)

4. Button & CTA Styles

Recommended field to ask: Preferred button style —Slightly rounded

Button Type	Requirement
Primary Button	Background color: (#3B1E54, RGB (59, 30, 84) Transparent glass effect, Text color: #FFFFFF, RGB (255, 255, 255), Hover color: #9B7EBD, RGB (155, 126, 189)
Secondary Button	Border color (#3B1E54, RGB (59, 30, 84),

Button Type	Requirement
	Text color #FFFFFF, RGB (255, 255, 255), Hover background #9B7EBD, RGB (155, 126, 189)
Text Button	Link-style button: Text only, no background or border Text color: #3B1E54
Button Radius	8px
Button Padding	14px top-bottom, 24px left-right
Button Font	Font size: 16px, Weight: 600 (Semi-bold), Text case: Sentence case
Button Height	Desktop: 48px Mobile: 44px
Icon Button	Should buttons include icon? Yes
Disabled State	Background Color: #D9D9D9 Text color: #888888 Opacity: 60%
Hover State	Color change: Darker or lighter shade transition Shadow; Soft shadow: 0px, 4px, 12px, RGBA (0,0,0,0.15) Transition: 0.3s

5. Component Style Requirements

Because the website includes pages like Home, About, Academic, Study, Life at FOM, Research, Downloads, and Contact, the brand kit should define reusable components for these sections.

Component	Required Design Rules
Header	Height: Desktop (80px)/ Mobile (64px) Background color: #3B1E54 Position: Sticky
Navigation menu	Font: Inter, 16px, Medium (400 weight) Text color: #3B1E54 Spacing: 24-32px Dropdown style: EEEEEE, RGB (238, 238, 238) background, 8px radius, soft shadow
Hero section	Image overlay: Gradient overlay (40% for readability) Title style: 48-64px desktop/ 32-40px mobile, Make it Bold Title color: White Subtitle: 18-22px, Light weight CTA style: Primary button (#3B1E54)

Component	Required Design Rules
Cards	Background: D4BEE4, RGB (212, 190, 228) or EEEEEE, RGB (238, 238, 238) with glass effect Decide the better color and add Border: 1px Radius: 12px Shadow: 0px,8px,24px, RGBA (0,0,0,0.8)
News cards	Image ratio: (16:9 Landscape, decide on your own) Image stye: Rounded top corners Title style: 20px, Semi-bold Date style: 14px, Gray color
Event cards	Date badge: Colored badge with month and date Location: Location icon and small text CTA: Text button Layout: Add image and event details
Programme cards	Icon/image: 64px Title: 20px and make it bold Short text: 14-16px, line height 1.5 CTA: “View Programs”
Staff profile cards	Photo shape: Slightly Rounded Square Name: 18px, Bold Designation: 14px Contact links: Add email, linkedIn, ORCID icons Hover: Card elevation and image border highlight
Download item cards	File icon: Based on file type decide the icon Title: 16-18px, Medium File type: (PDF, DOCX) Download button: Icon and text (“Download”) Card Style: Horizontal layout preferred
Contact form	Input style: White Background Border radius: 8px Field spacing: 16-24px, vertical gap Label: 14px, Medium Button type: Add as primary CTA button
Gallery	Image ratio: 4:3 or 1:1 square. Add the better fit. Grid style: 3 to 4 columns for desktop and 2 for mobile Hover effect: Zoom overlay and dark gradient
Footer	Column layout: 3-5 desktop Background Color: #241035, RGB (36, 16, 53) Link style: 14-16px, hover underline Text color: #FFFFFF, RGB (255, 255, 255) Social icons: circular icons with hover effect

6. Border Radius System

Confirm the preferred radius for each of the following elements:

Element Requiring Radius	
Buttons	8px
Cards	12px
Images	12px
Input fields	6px
Dropdown menus	12px
Badges / tags	20px
Modal / popup	16px

Recommended default if no university guideline exists:

Element	Suggested Radius
Buttons	8px
Cards	12px
Images	12px
Input fields	6px
Badges	20px

7. Spacing, Margin & Padding System

Ask them:

Question	Client Response
Do you prefer a spacious modern layout or compact academic layout?	We prefer a spacious modern layout which include clear structure to improve readability and highlighting important university information, with better UI and UX experience for the users
Should sections use large white space? Yes / No	Yes, we can utilize spaces between sections to create a premium, organized, and easy to navigate experience.
Should cards have shadows or flat borders?	Soft shadows with small borders that use light elevation to separate content cards while maintaining a clean academic appearance.

Question	Client Response
Should the website feel formal, modern, or vibrant?	Website should feel formal and modern vibrant elements, maintaining university credibility while using contemporary visuals, accent colors, and interactive elements.

Area	Desktop	Tablet	Mobile
Section top/bottom padding	80px	60px	40px
Container side padding	24px	24px	16px
Card padding	32px	24px	20px
Gap between cards	24px	20px	16px
Gap between heading and paragraph	16px	14px	12px
Gap between sections	80px	60px	40px
Button margin top	24px	20px	16px

8. Screen Width & Responsive Breakpoints

The RFQ requires the website to support both desktop and mobile devices, so this must be included in the brand kit.

Device Type	Design Width
Large Desktop	1440px
Standard Desktop	1366px
Laptop	1280px
Tablet	768px
Mobile Large	430px
Mobile Standard	390px
Mobile Small	360px

Container Width

Screen Type	Container Width
Desktop max container	1200px / 1280px
Tablet container	90%

Screen Type	Container Width
Mobile container	100% with 16px side padding

Grid System

Device	Grid
Desktop	12-column grid
Tablet	6-column grid
Mobile	4-column grid or single-column layout
Desktop gutter	24px
Mobile gutter	16px

9. Image Style Requirements

Requirement	Client to Confirm
Image style	Formal and modern academic
Image shape	Rounded
Hero image overlay	Dark overlay or gradient overlay (We initially suggested gradient overlay, but the hero section needs to attractive and modern)
Staff photos	Rounded square
Gallery image ratio	1:1 or 4:3
Image quality	Yes, High-resolution original images
Image approval	Will approved by us

10. Icon & Illustration Style

Requirement	Client Response
Icon style	Line icons with academic style
Icon color	Single color
Use illustrations?	Yes
Use university-related icons?	Yes
Use animated icons?	No

11. Form Style Requirements

Element	Requirement
Input field height	48px for Desktop/ 44px for Mobile
Input radius	8px
Input border color	#3B1E54
Label style	Top label
Error message color	#D32F2F, RGB (211, 47, 47)
Submit button style	White background, #3B1E54 font color
Required field style	Asterisk after label

12. Final Approval Questions

Question	Client Response
Do you have an official university/faculty brand guideline document?	No
Are we allowed to create the design system based on the official logo and website references?	Yes
Who will approve the final brand kit?	By the Faculty
Can we proceed with UI development after brand kit approval?	Yes
Any colors, fonts, or styles that must not be used?	No
Should the design follow the main UWU website style closely?	No, since its old we look for a modern version
Should the Faculty of Management have a unique visual identity while staying under UWU branding?	Yes, That’s better

Additional Requirements — Based on Completed Website Wireframes

The sections below were added after completing the low-fidelity wireframes for the Faculty of Management website, covering Home, About, Academic, Study, Life at FOM, Research, Downloads and Contact, plus the full set of department micro-site pages (Home, About, Academic, Student Life, Research, Staff, News & Events, Contact) for all four departments — Management Studies, Tourism Studies, Public Administration, and English Language Teaching. They capture UI components, interaction patterns and content systems that surfaced during wireframing and were not part of the original brand kit request. Please review and confirm alongside Sections 1–12 above.

13. Navigation & Menu System Requirements

The wireframes include a multi-level navigation system across the main site and all department micro-sites. Please confirm the following navigation behaviours and styles.

Component	Required Design Rules
Top utility bar	Background color: #241035 link style: Small text links (14px), white or light gray, hover underline language switcher placement (Sinhala / Tamil) – No need
Main navigation bar	Sticky Navigation Background color: #3B1E54 Active state style: Accent underline or highlight pill using accent color Dropdown caret style: rotating on open
Mega-menu / dropdown panels	Multi-column layout; Click-to-open Background: EEEEEE, rgb(238, 238, 238) Shadow: Soft elevation shadow
Department switcher tabs	Active: #3B1E54 with white text Inactive tab style: Transparent background, gray text Appearance: Fixed at the top of the department pages
Page-level sticky sub-navigation	Tab underline style: 3px accent underline Active color: #3B1E54 Behavior: Sticky below main header after scrolling Background: White with small bottom border
Two-tier sub-navigation	Used on the About page — style for the Primary row: Darker background with main categories Secondary row: White background with smaller links Active indicator: Purple underline or accent highlight
Breadcrumb trail	Separator style: Use chevron or slash Link color: #6D44A8 Current-page style: Dark grey, medium weight, make it non-clickable Font size: 14px

Component	Required Design Rules
Mobile navigation	Hamburger icon style: Simple 3-line outline icon Slide-in panel Accordion behavior for dropdowns: Accordin expand/collapse Background: White

14. Card & Content Component Library

The wireframes use a wide range of card and content-block types across the site. Please confirm shared visual rules — or define unique rules per type — so development is consistent.

Card / Block Type	Used On
Programme / course cards	Study, Academic, Department Academic pages
Department overview cards	Academic › Departments
Staff profile cards (grid + list view)	About, Department Staff pages
Individual staff profile layout	Department Staff Profile page
News / story cards	Home, Department News & Events
Event cards	Home, Department Events, Event Calendar
Notice / announcement cards	Academic Notices, Department Announcements
Scholarship & award cards	About, Department Student Life
Committee cards	Academic › Committees
Timeline / milestone items	About › History & Milestones
Alumni / graduate spotlight cards	Home, About, Department pages
FAQ accordion	About, Department pages, Contact
Stat / metric blocks (dark band)	Home, Department Home
Centre & unit cards (AVU / EMU / Trace / CVC)	Home, Department Home
Club & society cards	Life at FOM, Department Student Life
Gallery album cards	Life at FOM, Department News & Events

15. Tags, Badges & Category Color Coding

News, notices and events are organised by category throughout the site (for example: Academic, Research, Examinations, Scholarships). Please confirm whether each category should use a distinct color, or whether all categories should share one neutral style.

Requirement	Client to Confirm
Category color coding	All categories neutral grey
“New” badge	Use accent color (#F4B942), top-right corner of the cards and content items
Department code badges (DMS / DTS / DPA / ELT)	Same color for all departments
Status badges (Ongoing / Completed / Upcoming / Closed)	Use standard status colors

16. Calendar, Date & Schedule Components

Component	Required Design Rules
Full event calendar widget	Month grid style: Card based calendar container Today indicator: Highlight the current date with a circle Event-day highlight color: Apart from color can add a popup card indicating the event name and description Legend style: Decide a better attractive way
Date badge (day/month box)	Used throughout news, events and notices Size: 56x64px for Desktop/ 48x56px for Mobile Border: 1px (#E5E5E5) Color: Month section: #3B1E54, Day Section: #FFFFFF
Semester timeline	Used on the Academic Calendar page — current-term highlight with accent color (gold), milestone markers for exams, vacation, registration

17. Search, Filter & Pagination Style

Component	Required Design Rules
Header search bar	Field style: White or Transparent background with rounded cornets Button style: Icon based search button integrated inside the field Icon usage: Use outline search icon
Page-level search (e.g., News & Events)	Field size: Large search filter for better visibility Placement within the page banner: Banner area or inside a hero section Style: White background, Shadow, Search icon + placeholder text
Filter dropdowns	Border: 1px, #D9D9D9 Radius: 8px Background: White Open-state style: Purple border (#3B1E54) with soft shadow

Component	Required Design Rules
	Dropdown menu: Rounded container with hover highlight
Category filter tabs	Active style: #3B1E54 background with white text Inactive style: Transparent background with gray text (#666666) Count-badge style: Small pill badge beside category name Count-badge color: Light purple (#E8C7FF) with dark purple text
Pagination controls	Active page style: #3B1E54 with white text Hover state: #F3EAF9 Ellipsis style for long ranges: Three dots with no hover effect Button size: 40px x 40px

18. Data Table Styling

Used for award summary tables, MPhil/PhD comparison tables, and committee information across the Academic and About pages.

Element	Requirement
Header row	Background color: #3B1E54 Text color: #FFFFFF Font weight: 600 (Semi-bold)
Row striping	Zebra striping — Yes
Row borders	Horizontal rules with light gray
Mobile behavior	Horizontal scroll for complex data tables Stack into cards only for simple key-value tables

19. Department Visual Identity (DMS / DTS / DPA / ELT)

The Faculty of Management has four departments — Management Studies, Tourism Studies, Public Administration, and English Language Teaching — each with its own full set of pages. Please confirm whether departments share one identical visual identity, or have subtle differentiation.

Question	Client Response
Should each department have a unique accent color while staying under the main Faculty palette?	No
Should department code badges (DMS / DTS / DPA / ELT) be color-coded individually?	No
Should each department share one banner/hero template, or have a unique style per department?	Yes

Question	Client Response
Is there an existing visual identity for any individual department that must be respected?	No

20. Document, Media & Map Embed Styling

Component	Required Design Rules
Downloadable file cards	Use standard file-type icon set (PDF, DOC/DOCX, XLS/XLSX, PPT/PPTX) File size & format display: Display a specific file format and size below the title Download button style: Secondary button with download icon. Purple outline by default; solid purple on hover.
Video player (intro videos, video gallery)	Player skin: Clean player using browser's native controls or a modern player Play-button style: Large circular play button centered on the thumbnail. Thumbnail overlay: Dark gradient overlay (40%) Duration badge: Display small badge at the bottom-right
Map embed (Contact pages)	Google Maps style: Default Google Maps embed with responsive container. Pin/marker color: Default Google Maps marker or a branded custom marker if available. Frame style: 12px rounded corners, soft shadow

21. Alerts & Notification Banner Requirements

Component	Requirement
Site-wide announcement banner	Is this required? Yes, we could use it for urgent notices, admissions, examinations, and major announcements Placement: Above the main header (below the utility bar if one exists) Color: Urgent: #D32F2F (Red), General: #3B1E54 (Purple), Information: #2E86AB Text Color: White Color Dismiss behavior: Dismissible for general announcements, non-dismissible for critical notices such as emergency closures.
Form success / error messages	Color: Success: Green (#2E8B57); Error: Red(#D32F2F); Info Blue (#2E86AB); Warning: Gold (#F4B942) Icon: Use appropriate icons Placement: Better to display above the form after submission and optionally near the relevant section.
Inline field validation messages	Color: Error: Red(#D32F2F); Success: Green (#2E8B57) Icon: Use appropriate icons

Component	Requirement
	Placement: Directly below the corresponding input field

22. Accessibility Requirements

Requirement	Client to Confirm
WCAG compliance target	AA
Minimum color contrast ratio	No choose for best fit
Alt text policy	Required for all images? Yes, will require for images. Who provides the alt text? By the faculty
Keyboard navigation	Full keyboard accessibility required? Yes
Focus state styling	Visible outline color and style, Yes use (2-3px outline)

23. SEO & Metadata Requirements

Requirement	Client to Confirm
Favicon sizes	16×16, 32×32, Apple touch icon, Android icon. Yes, provide a complete favicon package for all major platforms
Default social share image (Open Graph)	Design team may send and create one to us. Then will approve it.
Page title format	Example: [Page Name] | Faculty of Management/Department | Uva Wellassa University
Meta description policy	Custom description per page important Auto-generated should be used as a fallback.

24. Animation & Interaction Requirements

Requirement	Client to Confirm
Hover transitions	Use smooth color fade and shadow, duration 0.3s
Scroll-reveal animations	Should sections fade or slide in on scroll? Yes, use fade up animations for sections, cards, images to improve engagement without distracting users
Page load transitions	Required? No
Sticky element behavior	Should sticky nav/tabs shrink on scroll? Yes, will reduce height on scroll

25. Empty States & Error Pages

Requirement	Client to Confirm
404 error page	No specific required design direction, Design a 404 page with the university identity
“No results found” state	Use a friendly empty-state design with icon/illustration, explanation text, and suggested actions
Loading state	Skeleton screens

26. Multilingual Content Requirements (Sinhala / Tamil)

The typography section already requests Sinhala and Tamil font families. The following additional confirmations are needed for multilingual content management.

No translation will take place, Will keep it as English

Requirement	Client to Confirm
Translation scope	Full pages translated, or only key information (contact, key notices)?
Language switcher	Placement, style, and default language
Date & number formatting	Confirm format conventions per language
Translated content source	Client / translation agency / design team to provide translations?

Short Message to Send With It

Dear Sir/Madam,

Before moving into final website development, we would like to finalize the design brand kit for the Faculty of Management website. This will help us maintain consistency across all pages, including logo usage, typography, colors, buttons, spacing, components, and responsive screen layouts.

Kindly review and provide the required branding details, especially official logo files, approved color codes, font guidelines, and any existing university/faculty design standards. If an official brand guideline is not available, our design team can propose a complete visual style guide based on the university identity and submit it for approval before development.

Thank you.
