Faculty of Management Website

Downloads Page — Content Requirement Sheet

Based on the approved low-fidelity wireframe: downloads.html

Prepared for: Uva Wellassa University — Faculty of Management | Document Date: 30 June 2026

Unlike most other pages, the Downloads page's content IS its files — every card and table row exists purely to host an actual PDF, DOCX or XLSX attachment. This sheet is organised around the page's 7 document categories (Student Forms, Academic Documents, Timetables, Application Forms, Policies, Prospectus, Student Handbook) and lists every document slot shown in the wireframe, each needing a real file attached. Per your instruction, the footer is not included in this document (the Contact Strip immediately above the footer is kept, as it is a separate content block).

> **⚠ Every single category shows a partial sample of documents while the category badge and banner claim a larger total: Student Forms (6 of 14 shown), Academic Documents (7 of 12), Timetables (4 of 8), Application Forms (7 of 10), Policies (6 of 9), Prospectus (2 of 4), Student Handbook (2 of 3). These totals do add up correctly to the banner's "60+ Documents" claim, so the counts are internally consistent — but real files are needed for every undrafted slot before each category can be considered complete. Please confirm whether the full document set already exists and just needs uploading, or whether some forms/policies still need to be drafted from scratch.**
